Competition Details:

This logo design contest is dedicated to an e-commerce company which sells DIY (Do It Yourself) products for Home & Garden and more. Name of the company is : eBricolaj

The ideas you must focus on when creating the logo are:

1. Logo should start with “e” (eBricolaj) letter to symbolize e-commerce and an online shop. Letter “e” can also be the key factor of the logo design so you are free to play with it making it look more “special”. It is your decision if you want to use the entire company name : “eBricolaj” in the logo, or simply use the letter “e” and then create a stunning design around it.
2. You may use the colors below but you can also come with better ideas:

3. Surprise the client! We'd like the font to be easy to read across multiple logo format (web, embroidery, business card, etc).
4. REQUIRED FILE FORMATS: .EPS, .AI, .JPG, .PNG Transparent

5. Send a .zip archive to jameskigraphics@gmail.com with the .EPS, .AI, .PNG Transparent right after you submit the logo to the contest for validation.
